

Climbing Whirl Mini

Item #20.01.135-US

For a larger version, check out
the Climbing Whirl.

Description

By taking away the large bottom platform, the Climbing Whirl Mini Spinner presents an exciting challenge for kids of all ages. At the widest point, is a thick ring to sit upon. To stay on the ring, kids need balance making the entire climber a challenge.

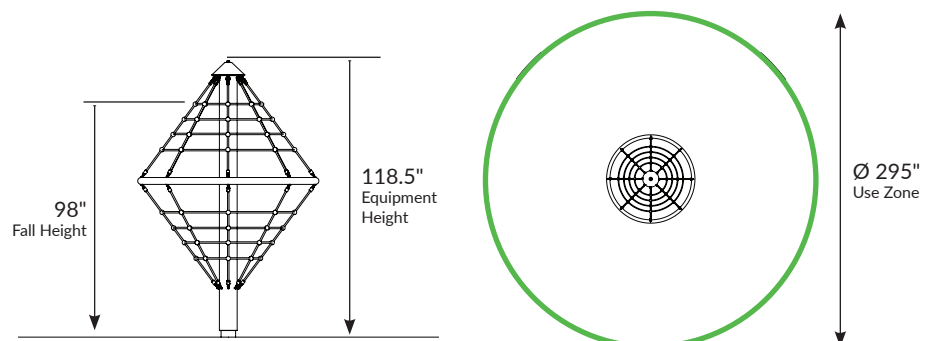

The Spinner Series develops balance, strength, imagination, and social development. As a single attraction or the highlight of every playground, this freestanding play equipment provides fun for a range of different age groups. Constructed with steel and polyester, this spinner is sure to last.

Features

- Climbable inside and out
- Net tapers at the top and bottom and six feet in diameter at the middle
- Rotational speed limited to 13 feet per second
