

NetPlay Climber Series

# Spider Pyramid 6-6

Item #5000-6-6

*Spider Climbers are available in different sizes and configurations depending on the target age group, budget, or spacing your site requires.*

## Description

With intricate multi-directional grip capacity and a strategic internal rope network, NetPlay Spider Climbers offer a truly exciting and age-variable addition to any playscape while providing clear sightlines and advanced safety.

The colorful square and rectangular meshes of the climbers are the perfect focal point for any playground. These 3-D play structures allow children of all ages to use their imaginations. Kids learn to take risks while climbing, balancing, and engaging in open play.
