Description

Jumping burns energy and helps develop an active lifestyle for kids of all abilities. The Maximus 6M is a 20 foot long bouncing surface that can hold several kids at once. Kids will want to gather on this unique structure to socialize while they exercise. The low tension surface will encourage kids to jump more and stay longer!

NetPlay Bouncers are ideal for use as both individual attractions and recreation highlights.

Colorful link and safety surfacing options available.

Ask your NetPlay representative for more information.
